- FIRE MEAD -

## TASTING NOTES INDICATOR FIRE MEAD

### NOTES ON FLAVOUR FROM OUR MAZER

A sweet & spicy flavour profile. The African Bird's Eye chilli moderates the sweetness of the honey, and visa versa. This is an interesting take on a sweet mead, with the chilli preventing the traditional stickiness of honey.

### TASTE PROFILE

### AROMAS

Capsicum

Honey

### OCCASION & PAIRING

Braai'd fish, spicy foods and chocolate desserts.

### HANDLING

Sweet Wine Glass

5° TO 8°C
